Tutoring

Certified Teachers in All Subjects
Elementary Education, Grades K-6

Confidence that goes beyond the classroom.

Like all parents, you want to see your child feeling confident and self-assured. The confidence LI Voyager's builds through tutoring goes beyond the classroom. LI Voyager's is dedicated to instilling confidence- not just tutoring within our students. We use a technique that is unique for tutoring your child. We begin by identifying your child's unique strengths and needs. We then develop a customized tutoring plan just for your child, providing individual attention from caring, certified teachers. You also get progress reports every step of the way. Whether your child needs tutoring to catch up, keep up, or get ahead, LI Voyager's will help.

LI Voyager's can help bring out confidence in your child that will last a lifetime!
